

**George**  
TEAM GOLD

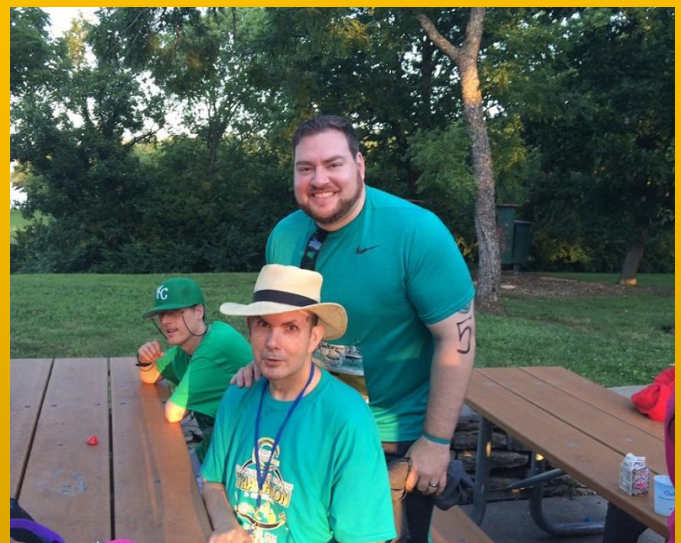

# I'm George! I'm your Team Captain!

**Here's a little bit about me:**

George has been a longtime supporter of the Open Options Shawnee Mission Triathlon, serving as co-captain of Team Teal in 2016. George has Prader-Willi syndrome, a condition that causes insatiable hunger, but he doesn't let it hold him back!

*"Open Options has helped me lose weight and gain employment and helps me to live on my own and be more dependent on my own. I've lived here a long time in the agency. We have great staff and awesome Open Options office staff. Thank you."*

"I hope you will consider making a donation to Open Options. All of the funds raised go directly to Open Options and make a significant difference in the lives of people with disabilities and their families.

I'll see you at the finish line!"
